

More Enhancements to Online Research Services at the Connecticut Judicial Branch Law Libraries

The Connecticut Judicial Branch Law Libraries now offer Public Access Lexis. Public Access Lexis is in addition to the following online resources that the libraries offer: LoislawConnect, Public Access Westlaw, HeinOnline, and LegalTrac. Public Access Lexis provides access to primary and selected secondary material for Connecticut. Access to limited federal jurisdictions and selected analytical material is also available. Access to the full Shepard's service is included. Public Access Lexis is available in all staffed [Judicial Branch Law Libraries](#). Please contact your [local library](#) for more information.
